### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: The examiner disagrees with the applicants arguments regarding the operation of the combination of the Garnett et al and Stiffler et al references. However in reviewing applicants arguments the examiner has concluded that impermissible hindsight was applied in combining the Garnett et al and Stiffler et al references in the manner that would read on applicants claimed invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Paul R. Myers whose telephone number is 571 272 3639. The examiner can normally be reached on Mon-Thur 6:30-4:00.
